**FURTHER JOINT CASE MANAGEMENT  
CONFERENCE STATEMENT  
REGARDING PROGRESS OF  
SETTLEMENT AND [PROPOSED]  
ORDER THEREON**

Trial Date: February 1, 2010

1 In a stipulated request, dated January 28, 2009, the parties (1) notified the Court of a class  
2 action settlement in principle that was reached the previous day with the assistance of Magistrate  
3 Judge Spero and (2) asked the Court to suspend certain deadlines and generally stay the action for  
4 thirty days to permit the settlement to be documented and submitted to the Court for preliminary  
5 class approval. The Court approved the stipulated order on January 29, 2009. The Court  
6 subsequently extended the stay by additional stipulated orders, dated March 3 and 20, 2009, and  
7 in the March 20 order gave the parties until March 31, 2009 to submit preliminary approval  
8 papers or a further case management conference statement.

9 The parties now have a final settlement agreement that has been fully documented and is  
10 being circulated for signatures. The parties request that the Court extend the stay for another  
11 week to April 7 to gather the signatures and to permit class counsel to submit preliminary  
12 approval papers to the Court. The parties further request that the anticipated preliminary approval  
13 motion be decided as promptly as the Court's schedule permits, and the parties ask permission to  
14 waive hearing on that motion or to attend a hearing on shortened time if the Court has any  
15 questions.
